GET PAID TO CARE FOR A LOVED ONE

TURN YOUR CARE INTO INCOME

If you have a loved one who is older, disabled or has a medical condition, you may be eligible to get paid to care for them at home through **Georgia Medicaid Programs**.

YOU MAY QUALIFY IF YOUR LOVED ONE:

- ✓ Has Medicaid
- ✓ Needs help with daily activities
- ✓ Lives at home or with family
- ✓ Would otherwise need care in a facility

YOU CARE
FOR THEM.
WE HELP CARE
FOR YOU.

HOW IT WORKS

1. CHECK ELIGIBILITY

We will help determine if your loved one qualifies for a Medicaid Waiver Program.

2. BECOME A PAID CAREGIVER

You may be approved to provide care and get paid for the services you already provide.

3. GET PAID

Caregivers can receive weekly or bi-weekly payments for their time and care.

4. KEEP YOUR LOVED ONE HOME

Your loved one receives quality care in the comfort of home where they belong.
